

CRANLEIGH
GOLF & COUNTRY CLUB

Golf Days at
Cranleigh Golf and Country Club

It is more than just golf at Cranleigh Golf and Country Club. It is also the perfect location for holding your golf day, not only is the golf course in fantastic condition, the food is superb and for those who don't want to play, they can enjoy the day in the Spa and Pool area.

Our members enjoy welcoming non-members to the Club and the team at Cranleigh are passionate about looking after their guests. The course may only be 5642 yards off the white tees, but don't let that fool you into thinking it's a walk in the park as it will test golfers of all abilities. With many memorable holes, our picturesque course is the perfect location for groups of golfers.

All golfers can enjoy our excellent facilities, including a refurbished driving range to help you warm up, a well stocked retail area to assist you with prizes and a fleet of pull trolleys and golf buggies available for personal hire on the day.

Our range of golf day packages outlined opposite, provide a great insight into what we can offer you at the club. However we offer a bespoke service enabling us to tailor packages to meet your golf days every expectation.
